

Dear Horo Foundation,

Hello. My name is Lauren. I am from Mrs. Vangorder's class in Harry Hoag Elementary school. I am also in the 4<sup>th</sup> grade Young Speakers Club. Thank you for the large amount of money for the equipment. As you may have expected, I am absolutely grateful for this. I think you have made a wonderful decision. I think you have because there will be many different uses of them. The microphone, portable PA system, video camera, et cetera will help us with our presentations and speaking. The electronic spelling dictionaries, headphones, etc. will help us with our spelling. The voice recorders, "I can Do It" writing packets, 3 computers, etc. will help us with our writing. As you may see, I did not include everything, but everything will be in good hands. Thank you for this. I can't wait to use them!

Sincerely,  
Young Speakers  
Club Member
