

Dear Horn Foundation,

Hi, I'm Anthony, I'm from the Young Speaker Club. I want to thank you for the money. The equipment is going to be very helpful. I can't wait to use it! The uses for the equipment is to help us on writing, spelling, presentations, and speaking. The electronic dictionaries will help our spelling. The microphones will improve our presentations, and speaking. The voice recorders will definitely help us with our writing. Thank you for sending us all the equipment.

Sincerely,
Anthony
